BE STEPS AWAY FROM EVERYTHING. BE DOWNTOWN.

BEING DOWNTOWN means being at the heart of the community and the center of the action.

Here, you're always just steps away from everyday necessities, as well as the dozens of unique dining, shopping, entertainment, and recreation options that make downtown a great place to live, work, learn, and play.

Each year, the Downtown Dayton Partnership publishes this convenient guide to help you get the most out of your center city. Inside, you'll find information on nearly every business and consumer service in downtown Dayton, as well as parking maps, dining and nightlife descriptions, and details on downtown's many other amenities.

This guide also is available online at downtowndayton.org, where it is constantly updated to include the latest information on downtown businesses and amenities. Whichever format you prefer — print or online — it's a handy resource to help you locate what you're looking for downtown. There really is something here for everyone, and we hope this guide will help you find more ways to enjoy being downtown!

A BIKE-FRIENDLY DOWNTOWN

Downtown plays an important role in a larger effort to enhance cycling culture in the City of Dayton, selected as a Bicycle Friendly Community by the League of American Bicyclists.

Dayton was awarded a bronze-level status for its efforts to help make the city more bicycle friendly through such initiatives as the addition of bike lanes and these amenities:

METROPARKS BIKE HUB

RiverScape's Bike Hub features bike lockers, showers, and restrooms, and is situated at the center of more than 300 miles of paved, off-street trails. Membership is designed for commuters, but such public amenities as bike parking and rentals, coin-op lockers, and restrooms are available for recreational cyclists.

237 E. Monument Ave. 275-7275

RIVERSCAPE RENTALS

RiverScape's rental concession is open Saturdays and Sundays from Memorial Day weekend through Labor Day weekend. A variety of bicycles are available, as well as a host of child accessories and rentals.

237 E. Monument Ave. 278-2607

BIKE PARKING

In addition to bike parking offered during many downtown events, you'll find more than 100 permanent bike racks throughout downtown for daily use.

BIKE TRAILS

Downtown's bike-friendly streets connect to the nation's largest network of paved, off-street bike trails. The trails link downtown to neighborhoods, natural areas, and other attractions throughout the region.

Learn more at miamivalleytrails.org.

LINK: DAYTON BIKE SHARE

Link, Dayton's bike sharing program, features more than 200 bikes at 27 strategically located stations, all within an approximate two-mile radius of downtown Dayton. Customers unlock the bikes and ride to any other station or back to the original location at the end of their trip. For pricing, station maps, and other info, visit linkdayton.org.
